MEMORANDUM FOR: Harry E. Fitzwater  
Deputy Director for Administration

FROM:

[Redacted]

Director, Intelligence Community Staff

STAT

SUBJECT:

FY 1983 Authorization Conference -  
Report on SAFE Project

Harry -

1. The Report on the Intelligence Authorization Act for FY 83 requires the DCI to submit a written report on the joint SAFE project by 30 September 1982. A copy of the pertinent language of the report is attached.

2. I would appreciate your assuming responsibility for the preparation of this report, in coordination with [Redacted] by 24 September. I will undertake its transmission to the appropriate Congressional committees.

Support to Analyst File Environment (SAFE)

The failure to implement the SAFE system architecture, coupled with the absence of a concrete proposal describing a revised program for fiscal year 1983 and beyond, forced the conferees to sustain recommended reductions of

STAT  
The

conferees believe, however, that SAFE is vitally important to the Intelligence Community and that the joint development effort must be continued. Accordingly, the DCI is directed to submit a written report to the appropriate Committees by 30 September 1982 describing the revised SAFE development program and how it will be implemented. This report is to include total system cost, schedule, and capability milestones for each agency's production elements.
